

**ESTHER SIEGE**  
**OCTOBER 25-27, 2007**  
**48 HOURS OF WORSHIP AND PRAISE**

Dear Worshippers-

We are very excited at this approaching worship event. We want to explain what an Esther Siege is- it's a modern day banquet for the King of Kings. Based on Esther 5- often true warfare comes through worship. Esther had the favor of the king before she even approached his throne room- it's written in scripture (see Esther 2:15-18). We have the same favor with our King and God- we have it before we even approach His throne room. It is God's will for abortion to end- He gives life. God can overturn abortion with one word (Psalm 2) we often focus on the problem and not on God – we need to keep our eyes heavenward and wait on God to move forward in battle. The Esther Siege is a worship event- more than that a modern day banquet for God to praise Him for whom He is- to seek His face and not His hand. We will pray for the end of abortion at the end of the 48 hours, but only after we have **sieged** His throne room with worship and praise- hence "an Esther Siege."

**Esther replied, "My petition and my request is this: If the king regards me with favor and if it pleases the king to grant my petition and fulfill my request, let the king and Haman come tomorrow to the banquet I will prepare for them. Then I will answer the king's question."**  
**Esther 5:7-8**
